

Fresh from Kenya to the World

## Company Profile

# Company Overview

**Fresca Premier fresh** is a Kenyan fresh produce export company committed to supplying premium-quality vegetables to international markets. We specialize in the production, sourcing, packing, and export of fresh vegetables that meet the highest international standards for quality, food safety, and traceability.

Our mission is to build long-term partnerships by consistently delivering fresh, safe, and high-quality produce while supporting sustainable agriculture and responsible farming practices.

## Our Products

### We specialize in:

- French Beans (Extra Fine and Fine)
- Snow Peas (Mangetout)
- Sugar Snap Peas

## Our Products

Our products are carefully selected, graded, packed, and prepared to meet the specifications of wholesale importers, retailers, and food service companies across Europe and other international markets.

## Why Choose Fresca Premier fresh?

- Premium quality fresh vegetables
- Reliable sourcing and supply
- Strict quality control procedures
- Full product traceability
- Compliance with international food safety requirements
- Flexible packing according to customer specifications
- Commitment to timely deliveries
- Customer-focused service

# Quality & Food Safety

Food safety and quality are at the heart of everything we do. We work closely with growers and packhouses that comply with internationally recognized standards and continuously strive to meet customer requirements regarding food safety, sustainability, and ethical sourcing.

## Our Vision

To become a trusted supplier of premium Kenyan fresh vegetables to international markets by delivering quality, consistency, and exceptional customer service.

## Our Mission

To provide fresh, safe, and high-quality vegetables while building long-term partnerships based on trust, integrity, and reliability.
